The Use of T Regulatory Cells to Improve Engraftment and Prevent Graft-Versus-Host Disease in Hematopoietic Stem Cell Transplantation

Friday, September 3, 2021
8:00 a.m. - 9:00 a.m. Central Time

Zoom Meeting
https://lcc.northwestern.edu/rd/grandrounds/

Everett Meyer, MD, PhD, MS
Assistant Professor of Medicine
Division of Blood and Marrow Transplantation
Stanford School of Medicine

Course Director: Jonathan Moreira, MD
Northwestern University Feinberg School of Medicine

Objectives: At the conclusion of this activity, participants should be able to:

• Analyze the use of Treg-enriched donor grafts in myeloablative hematopoietic stem cell transplantation in pre-clinical studies and clinical trials
• Identify evidence that Treg are important for GVHD prevention and for hematopoietic engraftment
• Review pre-clinical evidence that Treg could facilitate immune tolerance in combined kidney and/or islet and HSCT
• Identify concepts in genetically engineered Treg cells

Disclosures: Speaker Everett Meyer, MD, PhD, MS conducts contracted research for Orca Biosystems; has ownership interest in Triursus Therapeutics and Gigalmmune, Inc.; receives a consulting fee from Indee, Inc. Dr. Jonathan Moreira as course director of the committee has nothing to disclose. The Planning Committee, Dr. William Gradishar has nothing to disclose. FSM’s CME Leadership and Staff have nothing to disclose: Clara J. Schroedl, MD, Medical Director of CME, Sheryl Corey, Director of CME, Allison McCollum and Katie Daley, Senior Program Coordinators, and Rhea Alexis Banks, Administrative Assistant 2.

Accreditation Statement: The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement: The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

IMPORTANT INFORMATION ABOUT OBTAINING CME CREDIT
Northwestern University, Feinberg School of Medicine’s Continuing Medical Education Office (CME Office) is no longer accepting attendance sheet.

You will receive a unique 5-digit activity code during the presentation which you will text to 312.957.8301. You should receive a reply text i.e. Thank you Dr. John Smith, we have recorded your attendance to date of lecture-Division of Hematology/Oncology and the Lurie Cancer Center’s Grand Rounds.

NOTE: If you do not receive a reply text, your CME transcript will not reflect the lecture’s activity participation.

If you have any questions or having trouble, contact the Office of CME for assistance at cme@northwestern.edu.

Contact cancer@northwestern.edu with any questions.
