Understanding How Genomic Evolution and Heterogeneity of ctDNA in HER2 Positive Metastatic Breast Cancer Correlates to Treatment Resistance

Surbhi Warrior, MD

Hematology/Oncology Fellow

Northwestern University Feinberg School of Medicine

A Phase II Study of FOLFOX Combined With Nab-Paclitaxel in the Treatment of Metastatic or Advanced Unresectable HER2-Negative Gastric, Gastroesophageal Junction Adenocarcinoma

Marie Dreyer, MD

Hematology/Oncology Fellow

Northwestern University Feinberg School of Medicine

Course Director: Seth Pollack, MD

Northwestern University Feinberg School of Medicine

Objectives: At the conclusion of this activity, participants should be able to:

- Learn about the use of ctDNA monitoring in breast cancer patients
- Discuss resistance to therapies in HER2 positive breast cancer patients
- Correlate how changes in mutational profiles affect response to treatment
- Evaluate the efficacy of FOLFOX and nab-paclitaxel (FOLFOX-A) as first-line therapy for metastatic or advanced unresectable HER2-negative gastric or gastroesophageal junction adenocarcinoma
- Assess the safety profile and incidence of treatment-related adverse events, including grade 3 and 4 toxicities, associated with FOLFOX-A therapy

Disclosures: The speakers, Drs. Surbhi Warrior and Marie Dreyer, have no relevant financial relationships with ineligible companies to disclose. Course Director, Dr. Seth Pollack has received consulting fees from Aadi, Deciphera, ba, Springworks, Adaptimmune and Boehringer Ingelheim Vetmedica GmbH. He has conducted contracted research for SynOX & Springworks, received grant or research support from Obsidian and is on the speakers bureau for Deciphera and Springworks. The planning Committee Chair, Dr. Hidayatullah Munshi has no relevant financial relationships to disclose. FSM's CME Leadership, Review Committee, and Staff have no relevant financial relationships with ineligible companies to disclose. All the

relevant financial relationships for these individuals have been mitigated.

Accreditation Statement: The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement: The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

IMPORTANT INFORMATION ABOUT OBTAINING CME CREDIT

Northwestern University, Feinberg School of Medicine's Continuing Medical Education Office (CME Office) is no longer accepting attendance sheet.

You will receive a unique 5-digit activity code during the presentation which you will text to **312.957.8301** You should receive a reply text: i.e. Thank you Dr. John Smith, we have recorded your attendance to date of lecture-Division of Hematology/Oncology and the Lurie Cancer Center's Grand Rounds

NOTE: If you do not receive a reply text, your CME transcript will not reflect the lecture's activity participation.

If you have any questions or having trouble, contact the Office of CME for assistance at cme@northwestern.edu.
